**Report of Principal and School Improvement Council**

The 2012-2013 school year at Buford Elementary School has been as easy as ABC. Achieving our goals, Believing in ourselves and our abilities and Challenging ourselves to be the best that we can be was put into full motion as we kicked off our year with a fall field day. Each class worked together to accomplish various physical fitness tasks, creating bonds that lasted throughout the school year.

Concentrating on the Common Core State Standards, our Professional Learning Teams worked to begin this implementation process for our ELA and Math curriculums. Literacy By Design challenged us to create small literacy groups in each classroom where students received instruction on their instructional and independent levels. Providing our students with literature and informational text helped to prepare them for MAP and PASS assessments.

Setting goals and progressing toward those goals has been key this year at BES. Our students have demonstrated on PASS that they continue to excel in all academic areas. The 2012 PASS results show overall performance as 88% in ELA, 94% in Math, 97% in Science and 71% in Social Studies. BES received an "A" rating on the 2012 Elementary and Secondary Education Act Federal Accountability Rating System and has been designated as a Title 1 Reward School for Performance-among the highest performing Title 1 schools in a given year. The South Carolina Palmetto Gold and Silver Awards Program give recognition to schools that attain high levels of absolute performance and schools that attain high rates of growth. BES has received the Silver Award for both school years, 2011-2012 and 2012-2013.

Grade level PTO and Family Night provided the opportunity for each of our students to shine on stage and gather as a BES family to enjoy a meal. During the Family nights, parents were able to experience their child's classroom and gain ideas on help with homework and state assessments from the teachers.

Super Readers enjoyed a visit from Cocky, Kitty Wilson Evans and the Buford High School Cheerleaders. The 2012 Summer Super Readers attended the 2013 Read-In held in our state's capitol. The grade level performances provided through the LCSD Fine Arts Department were attended by our students. Fourth and fifth graders expanded their science knowledge by dissecting sharks.

Focusing on the combined efforts of our students, parents and faculty to provide the best learning environment for our students continues to be at the heart of our school. The best is yet to come, as we continue working together to provide our students a rigorous education that has them college and career ready.

Improvement Council Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
